## Curriculum update

This term, Year Three has been full of exciting learning opportunities!

Our Year 3 pupils explored our science topic on light, linking it with our class book, 'The Dark'. Weekly experiments investigating shadows, reflection, and light travel have sparked curiosity and inspired scientific thinking.

Reading fluency has been a focus, with every child improving their speed and comprehension skills. It's been wonderful to see their confidence and love for reading grow. Our visit to Shree Ram Mandir was a highlight, deepening our understanding of Diwali and Hindu worship through an engaging and informative experience.

Our Reception children recently delighted us with their Nativity performance at St. Leonard's Church. This event is a much-anticipated highlight of the year, and the children worked incredibly hard. Over the past few weeks, they have been deeply engaged in learning and preparing for the performance. This included remembering their lines, understanding the story of the Nativity, and practicing the dance moves that brought their songs to life.

The process of preparing for the performance offered many valuable learning opportunities for the children. They developed their confidence by speaking and performing in front of an audience, improved their teamwork skills by collaborating with each other, and enhanced their understanding of the Christmas story and its significance.

Our annual Nativity performance would not be possible without the incredible support and involvement of our parents. From helping the children rehearse their lines at home to providing encouragement and being a wonderful audience on the day, your contribution is deeply appreciated. A heartfelt thank you to all the parents for your enthusiasm and dedication, which helped make this special event such a success.

We are immensely proud of the children for their hard work, enthusiasm, and the joy they brought to the performance. It was truly a memorable celebration of the festive season!

# EDISON PRIMARY NEWSLETTER

Well done to Yuvan Sarabhoje and Zain Ali in Carson class for becoming Word Millionaires. In fact, it is the second time Zain has had lunch with Mrs Valentin as he has now reached two million words!

They enjoyed lunch with Mrs Valentin and talked about their love for reading and passion for books. Following that, Yuvan and Zain choose a new book from Mrs Valentin's collection of stories to take home.

## Special Announcement!

### CONGRATULATIONS EDISON ATHLETES!

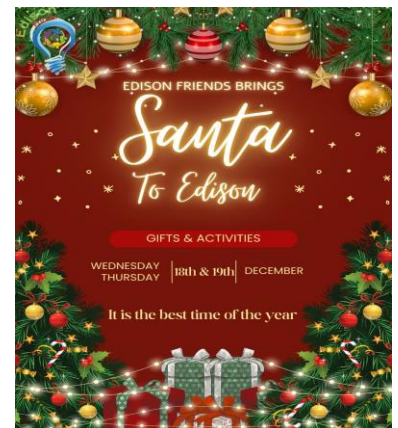

Edison participated in the annual Primary School Sports Hall Athletics competition at Cranford Community Centre on the 26th of November 2024. A team of 8 boys and 8 girls from Year 5 and Year 6 represented Edison in the various events. We are incredibly proud of their efforts, as they performed to a high standard and achieved a fantastic result. Edison finished in the top 4, which means we will be advancing to the finals, scheduled to take place in January 2025. Well done to all the students for their hard work and dedication!

**Christmas with Edison Friends: Wednesday 18<sup>th</sup> and Thursday 19<sup>th</sup> December 2024**

**Christmas parties for all year groups: Friday 20<sup>th</sup> December**

All pupils are invited to attend school in party clothes/ own clothes

**Early finish for all pupils on Friday 20<sup>th</sup> December at 1:30pm**
