Curriculum update

Our Year 5 pupils recently visited the Gurdwara in Southall, where they had a truly enriching experience. Upon arrival, they covered their heads and removed their shoes as a sign of respect. Inside, they were captivated by the beautiful kirtan (spiritual hymns) and took time to reflect in the peaceful prayer hall. One highlight was the langar, a delicious meal served to all visitors, which learners found both humbling and inspiring. They enjoyed learning about Sikh values of equality and selfless service. Many described the visit as eye-opening and said they appreciated the warm welcome and sense of community.

All our Year 4 children took part in a writing competition, and we are delighted to share that many of them have been selected to have their stories published in a book! This is a fantastic achievement, and we couldn't be prouder of our talented young writers. Well Done to everyone in Goodall and Carson class—your creativity and hard work have truly shone through!

Edison Primary proudly took part in NSPCC Number Day, celebrating our love for maths in a fun and exciting way! The day was a huge success, with children making a fantastic effort to *dress up for digits* and fully immerse themselves in the joy of numbers. Our wonderful teachers made the day even more special by organising interactive activities, including quizzes, games, and challenges that brought maths to life. A huge thank you to our amazing parents for their generous donations in support of NSPCC—your kindness is helping to make a real difference!

We managed to raise a total of £147.69. Thank you!

We are thrilled to announce that Edison Primary took part in a **General Knowledge quiz competition** on Thursday 6th February, and we are proud to share that we placed first! Our finalists, representing Year 3 to Year 6, were selected based on their performance in the class quiz competition and went on to excel in the main event, earning their spot in the finals at Oxford University. This is an incredible achievement, and we couldn't be prouder of all our participants. Congratulations to our brilliant finalists!

Year 2 had an exciting day celebrating Florence Nightingale Day on Monday 3rd February 2025. The children came to school dressed up as soldiers and nurses and took part in a Drama Hut workshop where children learnt a plethora of facts about Florence Nightingale and her importance during the Crimean War at Scutari Hospital in 1854. The children also created their own 3D lanterns where Florence was famously known as 'The Lady with the Lamp'. Thank you to our Year 2 pupils for your hard work and engagement!

Event	Date	Time	Year Group	Online or In Person
Phonics Parent Workshop	Thursday 27 th February	9:00-10:00am	Reception and Year 1	In person- please enter via small hall
Year 3 Easter Arts Parent Afternoon	Thursday 27 th March	2:30- 3:30pm	Year 3	In person- please enter via small hall
Y4 Easter Arts Parent Afternoon	Tuesday 1 st April	2:30- 3:30pm	Year 4	In person- please enter via small hall

We would like to thank all the parents who attended the Year 6 SATs meeting and the Year 4 MTC meeting. We hope you found these sessions insightful and that the teachers provided useful strategies to support your child's learning. Your involvement means so much, and we truly appreciate your partnership in helping every child succeed. Thank you for your support!

Going Over and Above

We continue to have high expectations for our pupils, playing close attention to how we can **Use Zones of Regulation to help us**

Our pupils were celebrated in our weekly Celebration HT assembly for their ongoing commitment and efforts to adhering to four school principles: Ready, Respectful, Safe and Kind.

It was a joy to be joined for Word Millionaire Lunch by Harkirat from Einstein Class and Kavin from Jemison Class.

What an amazing achievement to have read 1 million words or more.

Congratulations to you both!
