A reminder to parents that our school day begins at 8:45am.

To support a smooth start to the beginning of the school day, **our school gates will open at 8:30am and they will be closed promptly at 8:45am**

Music Mission delivered an electrifying workshop for our KS1 and KS2 pupils, sparking excitement and creativity through the power of drumming and rhythm. Pupils and even some of our teachers got involved as they explored dynamic drum techniques, created exciting patterns, and discovered cultural beats. The highlight was the thrilling drum battles, which brought energy, teamwork, and fun to the forefront. This engaging and memorable session left everyone inspired and buzzing with the joy of music!

## Curriculum update

We're thrilled to announce that Edison Primary will be participating in **Number Day 2025**, an exciting nationwide event that supports the vital work of the NSPCC. **Mark your calendars for Friday, 7th February**, as we transform our school into a celebration of numbers and mathematical fun! Number Day is a fantastic opportunity for children to explore the wonders of maths in a creative and interactive way.

### What's Happening at Edison on Number Day?

Here's how your child can join the fun:

#### 🌱 **Wear Numbers:**

Pupils are encouraged to wear clothing with numbers, such as football shirts, caps, netball jerseys, or even a onesie! Feeling imaginative? Come dressed in a maths or numbers theme – think equations, shapes, or even clocks! Numbers are everywhere, even in pictures! Wear something showcasing patterns like stripes, stars, or polka dots to represent numbers.

#### 🌱 **Maths Activities:**

On the day, pupils will enjoy a variety of fun, interactive maths games and challenges designed to inspire curiosity and critical thinking.

#### How You Can Help

This year, we are raising funds for the NSPCC to support their crucial work protecting children. We kindly suggest a **donation of £1 per pupil**. Your contribution, no matter the size, will help make a big difference in children's lives.

Well done to Jorsh who has become a millionaire reader once again! What an amazing achievement!

Jorsh enjoyed eating lunch with Mrs Valentin and even talked about the series of books by A.F. Steadman. He has read the book "Skandar and The Unicorn Thief" which he highly recommends to other children!

Do keep your eye out for it when you next visit the book store!

## **KS2 Millionaire Reader Party:**

Congratulations to the millionaire readers across KS2!

What an incredible reading achievement to read so many words accurately and then complete your quizzes to show your understanding of the text.

We hope you enjoyed the well-deserved celebration that took place at the end of the Autumn Term.
