Celebrating our love for reading at Edison Primary School

On Thursday 6th March 2025, we celebrated World Book Day and our love for reading. We came dressed as our favourite book characters. As well as that, Paula Harrison, a children's book author delivered assemblies and workshops for all of our pupils' and she even held a very special book signing at the end of the school day. Inspired by Paula Harrison, we attempted to write our own stories using our imaginations and creativity.

To continue our love for reading, next week, Scholastic Book Fair will be held at Edison Primary School, after school in our small hall. Our families, pupils and staff will have an opportunity to browse through some of the latest releases in children's fiction. We cannot wait to see you there!

Exciting Achievement!

Congratulations to Angad Bhullar for winning the Amazon Fresh Red Nose Day Art Competition! His outstanding artwork captured the spirit of Red Nose Day and will be displayed on digital screens at Amazon Fresh stores from 3rd to 21st March 2025. Angad was also been invited for a special photo opportunity at the store, where he saw his artwork showcased and received a prize from Amazon.

Well done, Angad—we are so proud of you! We would also like to extend our heartfelt gratitude to Amazon Fresh Hounslow in organising this competition and providing Edison Primary School with Red Nose donations. Their commitment to support our community is highly commendable.

Word Millionaires!

We just love reading at Edison Primary School. To celebrate the achievement of reading up to 1 million words, Pranavi, Sahib and Zain joined Mrs Valentin for lunch. We talked about favourite books and characters and why we love reading so much.

Big shout out to Zain because he has reached 3 million words! Well done to you all!

A huge well done to Joshita Chittabathini for being selected as a runner-up in the Smoke/Vape-Free Sign Design Competition! Her creative design will be turned into a poster to be displayed in schools across Hounslow. We are incredibly proud of her achievement—great job, Joshita!

Bank of England

The Bank of England recently hosted an engaging workshop for Year 6 students, designed to enhance their understanding of key subjects like English, maths and history. Students explored essential financial topics, including the role of banks and the Bank of England, the features of coins and banknotes, how to identify counterfeit money and various payment methods. They also learned about different careers in the financial sector. The session concluded with a Q&A, allowing students to deepen their knowledge and curiosity about the world of finance.

Year 4 had a fantastic opportunity to participate in an in-person workshop with Gen Earth UK. They explored the habitats of lions, their adaptations, and the impact of climate change and other factors on their declining population. The session was highly informative, and pupils thoroughly enjoyed the experience.
