Hot Chocolate with Mrs Valentin

Over and Above: Focus of the Week

Being Kind

Our dedicated attention this week centred on adhering to **our four school principles: Ready, Respectful, Safe, and Kind**. The primary objective was to surpass the norm in these aspects, fostering mutual assistance in enhancing our collective commitment. At Edison, continual improvement is paramount, and our weekly focal points contribute significantly to achieving this objective. See the outstanding individuals recognised for going "Over and Above" with the added privilege of enjoying hot chocolate with Mrs Valentin.

Word Count Millionaire

As we start the new year, we look forward to seeing all the children in KS2 become a word count millionaire reader. Watch this space to see who our millionaires are each week.

Attendance Winners for the week

Registration Form	Attendance Week 30.09.24 - 04.10.24	
YR Bell	100.0%	1st
YR Newton	94.1%	
Y1 Franklin	99.3%	2nd
Y1 Watson	86.3%	
Y2 Fleming	97.2%	
Y2 Pasteur	95.9%	
Y3 Curie	99.2%	3rd
Y3 Faraday	94.8%	
Y4 Carson	95.5%	
Y4 Goodall	96.0%	
Y5 Armstrong	96.8%	
Y5 Jemison	99.3%	2nd
Y6 Einstein	93.7%	
Y6 Hawking	93.3%	

Well done to Bell Class for being our first 100% attendance winners this week of the Autumn Term.

The class are presented with a trophy which they keep for the week.

Parking on Site

Please note that parking on site at the start and end of the day is no permitted. Parking on the side of the building to drop your child/ren to school is not allowed. Access to the side road and parking is for school staff only.

Scooter and Bikes

If your child/ren bring a scooter or bike to school, please ensure that you secure the bike/scooter with a lock, this applies to both the bike sheds and the bike racks outside the main office. Unfortunately, recently a child's scooter has been taken from school grounds. We would like to remind you that the school are not responsible for any bikes or scooters left on school ground during the day or after school.

Edison Primary School

Weekly News

Individual and Sibling Photos

On Wednesday 9th October there will be Individual and Sibling photos taking place.

Please ensure that your child/ren are in full school uniform. We would like to remind you that children are not allowed to wear coloured shoes or trainers these should be plain black smart school shoes or trainers.

All children are expected to be wearing the correct full Edison Primary School uniform during the week.

End of Day Collection/Pick Up

At the end of the day, we have noticed that siblings that attend high school are collecting pupils, however we would like to remind you that pupils will not be released to siblings who attend high school and are under the age of 16.

A parent must be present and visible to the staff dismissing, in order for the pupil to leave the school grounds.

At Edison we have a safeguarding duty towards all pupils to ensure that they are safe and with their reasonable adult.

Please ensure that at the end of the day a parent or guardian is present to collect your child.

It is important that you inform the school office via email before 3pm if you are unable to collect your child and have arranged for someone else. The school office require the below information to forward to the class teacher and add the person to the pupil Arbor account.

- Name of Person Collecting
- Contact Number of Person Collecting
- Relationship to Pupil

School Uniform

We would like to remind you regarding the appropriate school uniform for children.

Please kindly ensure that you have labelled all of your child/ren's school uniform items including jackets, bags, shoes/trainers and water bottles.

Children should be wearing **school uniform** on days they do not have P.E and should be wearing **black school shoes**.

Children are **not allowed** to be wearing different coloured shoes or trainers, please ensure that your child/ren are in the correct coloured footwear.

On the days of P.E, children should come into school wearing their P.E kits and black trainers.

Please see below PE Days for your child's year group:

<u>Year Group</u>	<u>PE day/s</u> <u>Children come in wearing their PE kit.</u>	
Reception	Thursday	Friday (AM)
Year 1	Tuesday	Wednesday (PM)
Year 2	Thursday (AM)	Friday
Year 3	Monday	Tuesday (AM)
Year 4	Tuesday (PM)	Thursday
Year 5	Tuesday	Wednesday (AM)
Year 6	Wednesday	Thursday (PM)

Speech & Language Coffee Morning

Last week, we were pleased to host a coffee morning for parents, led by our dedicated speech and language therapist.

It was a wonderful opportunity for parents to gain insight into supporting their children's communication needs, and we are grateful to those who took the time to attend.

Your involvement is invaluable, and we look forward to offering more coffee mornings in the future, covering topics like SEND, behaviour management, and emotional well-being. With your

Edison Primary School

Weekly News

continued support, we aim to equip parents with the tools and strategies to best support their children's development.

item (such as a sock, shoes, hairband, or bow) added.

By wearing yellow, we join thousands of others across the UK to raise awareness and show young people that they are not alone in their mental health journey. This is a fantastic opportunity for us to come together as a school, support an important cause, and highlight the significance of mental well-being.

Thank you for your continued support, and we look forward to seeing everyone participate in this important event.

Poet – Neal Zetter's visit to Edison

We were delighted to have a visit from the well-known poet Neal Zetter! He wowed us with his incredible assemblies where he performed some of his famous poems from his most recent books.

Years 2, 3, 4 and 5 enjoyed participating in poetry writing workshops with Neal where he modelled how to write an effective poem and inspired our children to write their own!

Some of us performed to the class.

World Mental Health Day – Friday 11th October 2024

We are excited to announce that we will be observing World Mental Health Day on Friday, 11th October to raise awareness and promote well-being within our school community.

To mark this special day, we are encouraging all children to wear one item of clothing or an accessory in yellow as a symbol of support for mental health awareness. Please note that this is not a full mufti day, and children should come to school in their full uniform, with only one yellow

Bus Day

We would like to let you know that we will be holding our next bus day on **Tuesday 15th October 2024**, and I will be grateful if you can share this with your schools.

This is a wonderful opportunity for all of your students but especially any that are independent travellers or those who plan to be in the future. We run our bus days with the Police and TfL mentors, to help promote safe travel across the borough!

Our bus days are FREE and are a great way to show our young people how to stay safe whilst using public transport in a safe but realistic environment.

Click here to book spaces in our **10.30am till 12.00pm slot:**

<https://www.eventbrite.co.uk/e/hounslow-bus-day-october-2024-tickets-923892115187>

Click here to book spaces in our **12.30pm - 14:00pm slot:**

<https://www.eventbrite.co.uk/e/hounslow-bus-day-october-2024-tickets-923897210427>

Please Note: The morning session is only available to school/college and the afternoon session is open to everyone.

Please get in touch if you are interested in booking your school's free places, places are limited, and you need to book for each individual - student and staff who want to board the bus. They are now on sale

If you find that the tickets are sold out, please contact either Tony or Pauline as we may have additional spaces.

Please do not hesitate to get in touch if you have any queries.

Tony - 07837 185993 or email

anthony.campbell@ealingmencap.org.uk

Pauline - 07929 050018 or email

pauline.lewis@ealingmencap.org.uk

We will also be running a bus day on Tuesday 18th March 2025 - please get in touch if you are interested in a place

Parent Carers Forum Annual Survey 2024

Hounslow are currently running our Annual Survey to collect feedback from parents and carers about the local services available to their children with SEND. We would be grateful if you could share this survey with all parents of children/young people on the SEN register or with an Education, Health, and Care (EHC) plan at your school.

<https://hounslowpcf.co.uk/annual-survey-2024/>

The Repair Café

The Repair Café is returning on Saturday, 28th September 1-5pm at Heston Community Centre, TW5 0EE.

Bring your broken items and learn how to fix bicycles, scooters, clothes, small electronics, and more. It's a great way to save money, learn new skills, and reduce waste!

E-Repair Training is also available for electronic items—no experience needed.

Book your spot via Eventbrite [here](#) or call 0777389 8806.

Hounslow Public Realm Design Guidance

We are reaching out to invite you to participate in the Hounslow Public Realm Design Guidance project. As part of this effort, we are conducting an online survey to gather valuable experiences and insights from the community on how to improve public spaces in Hounslow.

To take part, please visit: <https://talk.hounslow.gov.uk/public-realm-consultation>

In addition to the survey, you can also use the interactive map function to share your thoughts and opinions about specific locations.

The survey will remain open until 30 September 2024, and your input will directly contribute to

Edison Primary School

Weekly News

shaping the Hounslow Public Realm Design Guidance, which is currently being developed.

We would greatly appreciate it if you could not only participate but also share this information with your networks. For those who prefer paper copies of the survey, please contact us at consult@hounslow.gov.uk or call 020 8583 2000.

Thought of the Week

Student: Dr. Einstein, Aren't these the same questions as last year's [physics] final exam?

Einstein: Yes; But this year the answers are different. **Albert Einstein**

Key dates for your diary

Tuesday 8th October	Year 6 Height & Weight
Wednesday 9th October	Whole School Individual and Sibling Photos – children need to be dressed in full school uniform
Friday 11th October	World Mental Health Day
Wednesday 16th October	Year 2 Hounslow Urban Farm
Friday 18th October	Year 1 Sublime Science Workshop
Monday 21st October – Friday 25th October	No Enrichment Clubs this week
Monday 21st October	Flu Vaccination for Whole School
Friday 25th October	School Closes at 1.30pm

What Parents & Carers Need to Know about AI VIRTUAL FRIENDS

Artificial intelligence – particularly in terms of how it generates natural language – has seen significant development over the last six months, with companies releasing new AI-based software or adding an AI element to existing apps (such as Snapchat, for example). One form of AI to become especially popular has been the ‘AI friend’ or chatbot, as children eagerly experiment with these new-found computer-generated companions. There are now numerous apps available with this ‘virtual friend’ functionality, with the likelihood of it being added to other, successful platforms soon.

WHAT ARE THE RISKS?

CONTENT AND ACCOUNTABILITY

AI chatbots may not always be able to recognise when content is age inappropriate or harmful and should be filtered out. So there’s a possibility that children could be exposed to offensive language or explicit material while conversing with their virtual friend. The companies producing such AI solutions are also unlikely to take responsibility for any content that their algorithms generate.

Do*#!

REDUCED SOCIAL CONTACT

An excessive reliance on chatbots for social interaction could potentially cause a child to begin reducing the amount of face-to-face communication they have, leading to social isolation. If young people become dependent on chatbots to provide companionship, it could very likely hinder the development of their real-life social skills.

LACK OF SENSITIVITY

Chatbot software isn’t always sophisticated enough to pick up on subtle emotional cues or recognise signs of distress in children, as most humans would. It might therefore fail to respond appropriately. AI misinterpreting what it’s being told or replying insensitively to a young user who’s already struggling could potentially impact a child’s emotional wellbeing or exacerbate any existing emotional issues.

UNINTENTIONAL BIAS

AI companions are only as reliable as the information they’ve been programmed with. The algorithms they use, therefore, may unintentionally promote bias, stereotypes or discriminatory behaviour (as many originate from the USA or the UK, for instance, they can display a distinctly western-centric worldview). This could lead to children developing skewed attitudes and behaviours.

COGNITIVE LIMITATIONS

Although many are now undeniably advanced, AI-powered chatbots still have limitations in terms of understanding complex concepts, context and nuance. Depending heavily on chatbots to help with learning or solving problems may stunt the development of a child’s own powers of critical thinking, creativity and ability to engage in open-ended discussions with other people.

PRIVACY CONCERNS

Chatbots typically collect data about users, including personal information and conversations. This is ostensibly to improve their performance as they gradually learn about our behaviour – but many experts are warning that there may be significant risks associated with how this information is stored and used (the possibility of potential breaches or misuse by third parties, for instance).

Advice for Parents & Carers

CHAT ABOUT CHATBOTS

If your child is already expressing an interest in AI apps, a relaxed, natural chat should help you to discover which ones they’re aware of and how they’re using them (or are planning to). Discuss these options with your child and perhaps do your own research to ensure you think they’re suitable. Once you’re totally happy, you could sit with your young one and begin exploring AI chatbots together.

CREATE A SAFE ENVIRONMENT

If your child is keen to engage with AI chatbots, encourage them to do so in a safe environment: ideally in a shared space at home, so you can easily keep an eye and ear on their progress. Set up appropriate content filtering measures in advance – and gently remind them that you’ll be close by and ready to help with any questions or concerns that may arise.

FIND A BALANCE

Work alongside your child to establish the right balance in terms of how they might use AI-powered chatbots – and when it’s appropriate. It’s important to make sure that children are still getting plenty of opportunities to learn to solve problems for themselves, as well as building their interpersonal skills through face-to-face conversations with friends, family members and teachers.

TAKE CONTROL

As with any form of app or game, when it comes to AI chatbots we’d strongly recommend that you consider employing parental controls (either on the device being used or within the software itself) to manage which apps your child can download and use. This is particularly important for younger children, who may be more at risk of being upset or frightened by inappropriate content.

RECOGNISE THE RISKS

It’s unlikely that most children will have even considered the potential risks attached to having a virtual companion. So it’s probably wise to explain some of the possible hazards and challenges of AI chatbots to your child. In particular, emphasise that AI isn’t a real person (however much it might sound like one) and may occasionally tell them something that isn’t entirely impartial or accurate.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges in Britain and the Middle East. With a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

A Purr-fect Helper!

Meet Cilla, a very special cat, who lives at a primary school in Warwickshire! Cilla first showed up as a stray seven years ago, visiting the school every day. The students and staff loved her so much that they made her part of the school family! Cilla spends her time comforting students, especially those feeling nervous before big tests. She loves wandering into classrooms and sitting with children who need a cuddle. 'She just seems to know when a child needs her,' said headteacher Ms Taylor. Cilla's kindness hasn't gone unnoticed—she recently won the *Connected Cat* award at the Cat of the Year Awards! She's

Pictured: Cilla relaxing in the library.
Source: @OutwoodsCat on X.

also famous online, with 26,000 followers on X (formerly Twitter). Plus, she helped raise £5,000 for the school's library! With six cozy beds around the school, including two in the library, Cilla lives a life of luxury while doing her important job of comforting students.

Pumpkin Power

Aleksandr Chusov has grown a record-breaking pumpkin in Russia, weighing an enormous 817kg! The giant pumpkin was crowned the largest in Russian history after a special weigh-in at the Moscow State University Botanical Garden. Aleksandr, who is 28 years old, won the top prize at the Autumn Festival of Vegetables. He explained how he grew the pumpkin saying, 'You select the biggest pumpkins and cross them with other giant pumpkins. Then, with the right care, like proper watering, fertilising, and planting at the

right time, they just get bigger and bigger!' The massive pumpkin is now famous, and Aleksandr is proud of his amazing gardening skills. What a pumpkin!

Have you spotted any pumpkins? Were they giant?

Pictured: Giant pumpkins.

Will classrooms of the future be teacherless?

New technology is being invented all the time, I don't think we can rule out teacherless classrooms. Betsy, 10

Disney Decoration!

A uniquely decorated home has gone viral after it was put up for sale by its Disney superfan owner! The estate agents in charge of selling the home posted that their advertisement had gone global: 'Our property listing has captured the world's attention, and we couldn't be more thrilled! 🇬🇧' The Disney-themed home features huge murals of famous characters, such as Aladdin, Mary Poppins and Peter Pan. The property is in the Welsh seaside

Pictured: The interior of the Disney themed house.

Source: Elwy Estate Agents on Facebook.

town of Rhyl, in Denbighshire. Marti Anderson-Bryan from Elwy Estates explained, 'The current homeowner, she's a real massive Disney fan. She's been to Disney over twenty times, and she's actually lived in that house her whole life. Lots of people are just obviously really curious just to see the artwork because obviously, people have just never seen anything like it before!'

Do you think you would like to live in this house?

Can you think of a theme you would like in your home?

Hunt for Happiness

Michael Zervos has announced that he has reached the halfway mark on his mission to travel to every country in the world. He is aiming to do this in the shortest number of days possible. There are 195 countries to go to and he has visited almost 100 so far! He is calling his world-record-breaking attempt, Project Kosmos! He describes his adventure as 'a record-breaking journey of happiness.' As he travels, he is asking the residents of each country the same question: What is the happiest moment of your life? The Greek-American filmmaker is collecting and then publishing the answers and stories that go with them online. He hopes by doing this he will spread happiness and the belief that everyone can be happy, wherever they live in the world, and whoever they are!

Pictured: Teacher and students with a globe.
Source: Canva.

'I'm amazed I'm on schedule,' Michael admitted, 'Occasionally it means maybe spending a day less in a certain place, but I've tried to make the most out of those situations.' Describing the experience so far, he added, 'It's changed me in ways that I can't really articulate!'

Are there any countries that you would like to travel to?

What is the happiest moment of your life?

Will classrooms of the future be teacherless?

I think that we will always need human teachers as they will always be better at understanding their class.

Hamsa

TAKEHOME

7th - 13th
October

In the news this week

E-commerce company, Amazon, has told all staff they need to return to the office five days a week next year, ending the option to work from home. In a message to all workers, Chief Executive Andy Jassy said the company expected everyone to be in the office full time (apart from some exceptions) from 2nd January, 2025. Amazon's new policy is very different from the UK government's approach, which is to make flexible working a right for employees, as promised in a new law proposal, due to be announced later this year.

Things to talk about at home ...

- > Do you believe Amazon's decision is fair? Talk to someone at home, do they agree?
- > Do you think you might prefer working from home, or from a workplace with others? Why?

How important are human interactions?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others

www.picture-news.co.uk/discuss

SPOOKY

SLIME

You'll need

- $\frac{3}{4}$ cup of PVA glue
- $\frac{1}{4}$ cup of water
- 1 teaspoon bicarbonate of soda
- Food colouring
- 1 tablespoon saline solution
- Glitter and other decorations - optional

Instructions

Mix all the ingredients together except the decorations and saline.

Add the saline slowly and watch as the mixture turns into a colourful slime.

Why does it work?

Glue flows because it contains polymer chains which slide over each other easily. The saline solution reacts with baking soda to form borate which forms bonds between the polymer chains of the glue. This is called cross linking and is what makes the slime mixture stick together.

Try mixing cornflour (corn starch) and water to make a slime that runs through your fingers but feels solid when scruched up.

Spectacular Science Free Workshop (5+)

Monday 28th October 10.00 - 12.00
Brentford Library (TW8 8DW)

About the workshop:

Come and explore the magic of spectacular science. Our workshops are practical and bring the fun to science. Try your hand at different experiments and learn topics and techniques that can help enhance your child's school curriculum.

This session is for adults and children to learn together about science phenomena that are exciting and fun. You and your children will be given an opportunity to try several exciting science experiments.

What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- **For health and safety reasons, children must be over the age of 5 to attend this session. No babies are allowed.**
- **Please note we can only accommodate one adult to two children per family.**
- We recommend you wear old clothes.
- If you or your child needs any extra assistance within the class, please be sure to let our staff know when enrolling.
- It is important that you book your place on our workshop in advance.

Free Art Workshop

Celebrating Black History Month

Monday 28th October 10.00 - 12.00
Meadowbank in Cranford (TW5 9QX)

About the Workshop:

Our art workshops focus on different artists. Families can learn about a particular artist and their style, then create an artwork of their own using the techniques of the chosen artist.

Come and find out about famous black artists and explore their work.

This is a great workshop for creativity, motor skills and just for fun!

This session is for adults and children to learn to draw/paint/create together in a fun and inspiring environment.

What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- **For health and safety reasons, children must be over the age of 5 to attend this session. No babies are allowed.**

Meadowbank in Cranford (TW5 9QX)

About the Workshop:

Clay Workshops are all about getting stuck in and making something with your hands. Be guided to make different clay items, from pinch pots to ornaments. You will get to take your creation away with you as well!

This is a great workshop to support motor skills and creativity.

On this course you and your children will learn some basic clay modelling techniques to create a piece of decorative airdried clay which you can take home.

What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- **For health and safety reasons, children must be over the age of 5 (up to age 13) to attend this session. No babies allowed.**
- Please note we can only accommodate one adult to two children per family.
- If you or your child need any extra assistance within the class, please be sure to let our staff know when enrolling.
- **We recommend you wear old clothes.**
- It is important that you book your place on our workshop in advance.
