Hot Chocolate with Mrs Dokal

Attendance Winners

Registration Form	Week 29.04.24 - 03.05.24	
YR Bell	99.1%	1st
YR Newton	93.5%	
Y1 Franklin	96.6%	
Y1 Watson	94.0%	
Y2 Fleming	96.5%	
Y2 Pasteur	98.5%	2nd
Y3 Curie	96.7%	
Y3 Faraday	94.0%	
Y4 Carson	92.3%	
Y4 Goodall	96.9%	
Y5 Armstrong	98.0%	3rd
Y5 Jemison	94.6%	
Y6 Einstein	87.1%	
Y6 Hawking	90.7%	

Over and Above: Focus of the Week

Being Respectful

Our dedicated attention this week centered on adhering to **our four school principles: Ready, Respectful, Safe, and Kind**. The primary objective was to surpass the norm in these aspects, fostering mutual assistance in enhancing our collective commitment. At Edison, continual improvement is paramount, and our weekly focal points contribute significantly to achieving this objective. See the outstanding individuals recognised for going "Over and Above" in the newsletter, with the added privilege of enjoying hot chocolate with Mrs. Dokal.

Next week the Focus is 'Being Safe'.

Well, done to Reception, Bell Class for being the winners for the highest attendance this week with a percentage of 99.1%.

Early Start for Early Birds!

In response to requests from parents, we are pleased to announce that our 'Early Birds' breakfast club will open at **7.45am** from 15 April onwards.

The following charges will apply:

'Early Birds' Breakfast Club - £6 per session (one hour)
'Night Owls' After School Club - £6 for one hour and £12 for two hours.

Early Birds runs from 7.45am to 8.45am, and Night Owls runs from 3.45am to 5.45am daily. At each of these clubs, children get the opportunity to catch up with their friends, play games and have a healthy snack.

Parents and carers can book their child's sessions on ParentPay 48 hours in advance. However, if you should need to book a slot at short notice, please contact the School Office to check availability.

Attendance – Late Arrivals

This is a polite reminder that if your child/ren are late in the mornings, please ensure you bring them to the school office as they would need to be signed in by the adult.

We have a new electronic sign in system, the office team will assist you with this.

Please **DO NOT** drop your child/ren at the gate and allow them to come into school on their own.

Early Pick-Up Procedure

If you require to collect your child/ren early for any reason, you would be required to send an email to info@edisonprimary.org with a reason to why you are requesting an early collection, the email will be passed onto Mrs Dokal to authorise.

If collection is for medical appointment, you would need to provide proof of the appointment, and this should be

provided to the office at least 24hours before the appointment.

To help the attendance of the pupils in class and ensuring that they are getting the best out of the education, early collection will not be permitted unless authorisation has been by Mrs Dokal in a reply to your email.

We thank you for your support and understanding.

Car Parking

Please remember that parking on school premises is for **STAFF ONLY**. Please support our school and its safety by parking a short way away and walking with your child. **Please** can we urge you all to continue to support the school and be aware of not blocking local residents' driveways, double parking and bus routes. Also please remember parking on double yellow lines is **NOT** permitted at any time. We would like to say a big thank you to all those parents that have been mindful to the local residents when parking.

Scooters and Bikes

We would like to remind you that if your child rides a scooter or bike to school, you must park it under the bike sheds, near the main school entrance. Wherever possible please keep them locked too. These should only be left here for the duration of the school day. Please **DO NOT** leave anything overnight or over the weekend as this would be left at your own risk. We appreciate your support with this.

Bringing Children to School

Your child should arrive at school by **8.45am**, the school gate opens from 8.35am so you can drop your child at their year group entrance from this time onwards. Please ensure you support your child by ensuring they arrive on time and ready to learn. Any late arrivals should need to report to the main school office. If your child is going to be absent for any reason, please inform the school office by **8.30am** using our automated telephone service and choosing option 1. Lateness, at either end of the school day, is disruptive and can make the children anxious. Please make every effort to arrive at school on time to help your child have the best school experience possible. Persistent latecomers (more than three episodes) will be referred to Mrs Dokal and, if the

lateness is not then resolved, will be passed onto the Education Welfare Officer for further action.

Night Owls Collection

Our school office closes at **4.30pm**. If you are picking up your child from After School Club after this time, please

use the bell at the school office entrance, and Mrs Mahal or Mrs Gill will come to meet you, and fetch your child from the club. If you have rung the bell and there is no answer, please call the school mobile: 07814 021729. This will only be necessary on the occasions that the children are taken outside to play. We appreciate your patience and support with this.

IN THE SPOTLIGHT 1 NEWSPAPER 6th - 12th May

Spring has Sprung!

Trees and hedgerows are currently adorned with colourful blossom. Plants and trees that will go on to produce fruit, grow buds at first, which flower once warmer weather arrives in the spring. This is the blossom that we are seeing now. The flowers attract bees

Pictured: Cherry blossom. **Source:** Canva.

and other insects, which pollinate them by transferring pollen between different flowers. After pollination, the flowers will fall away, making space for fruit to form. Blossom trees are very special in some countries. In Japan, Hanami is a special festival held to celebrate its much-loved cherry blossom trees, known as Sakura, and the arrival of spring. Every year, around the end of March and beginning of April, crowds flock to enjoy the canopies of delicate pink blossom. In the UK, a number of common trees produce blossom at this time of year, including hawthorn, blackthorn, and apple trees. There is also a huge range of kept gardens and parks containing diverse collections of fruit trees.

Island Rescue

Three sailors have been rescued from a remote Pacific island after being stranded there for a week following an accident involving their fishing boat. The fishermen's boat was struck by a large wave, damaging the outboard motor. When the mariners attempted to make contact with coastguards, they found their radio had run out of battery. Luckily, the men managed to swim to a small, nearby island called Pikelot Atoll, where they cleverly fashioned a 'help' sign using palm fronds. The search for the sailors began in early

Pictured: Desert island. **Source:** Canva.

April after they had been reported missing but rescue efforts were initially hindered due to bad weather. Guam rescuers were later joined by a US Navy team and one other coastguard crew to search an area of over 100,000 miles! Navy aircraft spotted the mariners' huge 'help' sign, and the men were rescued shortly after and returned safely to their families.

Can you learn to persevere?

I think that if you keep being positive and if you don't give up, you can learn to persevere.

IN THE SPOTLIGHT 2 NEWSPAPER 6th - 12th May

World's biggest 3D printer

The Advanced Structures and Composites Center (ASCC), at the University of Maine, in Orono, USA, has unveiled the world's biggest 3D printer! The printer is able to print entire homes and make completely recyclable neighbourhoods. Called 'Factory of the Future 1.0' (FoF 1.0), it is four times larger than the previous Guinness World Record holder, which is also located at the university. The FoF 1.0 is able to print objects up to 30 metres long, by about 10 metres wide, by 5 metres high, and has an impressive

production speed of 227 kilograms of material an hour. 'This new technology allows UMaine-ASCC to scale-up its research and production of its innovative biobased 3D printed home technology,' said MaineHousing's Development Director Mark Wiesendanger. 'This effort creates another means of producing quality affordable housing, while further driving costs down, and using abundant wood residuals from Maine's sawmills.'

Would you like to live in a home that has been created by a 3D printer?

Sapphire Tower

Puya alpestris, commonly known as Sapphire Tower because of its turquoise-blue flowers, is a rare plant that only blooms once every 20 years! Horticulturists at the Birmingham Botanical Gardens, UK, have released pictures of their plant flowering. As there were no hummingbirds around, scientists at the gardens have been trying to help the plant to reproduce by carefully hand pollinating with a paint brush. Horticulturist, Alberto Trinco said, 'Each flower only lasts a few days, giving us a limited window of time to give nature a helping hand. In the absence of its natural pollinators, we will attempt some hand pollination instead. It is very slow-growing, so to witness its spectacular blooms is both exciting and rare. Hopefully pollinating the flowers with the brush to obtain seeds will allow us to secure the

presence of this amazing species in our collection for future generations to come admire.'

Did you know that some plants only flower once every 20 years?

Pictured: The Puya alpestris and Alberto Trinco.

TAKEHOME

6th - 12th May

Can the past help us learn about modern life?

In the news this week

A new study from the Journal of Archaeological Method and Theory, using evidence found in northwestern Italy, has found that Neanderthals (an extinct relative of humans) organised their living areas in a similar way to people today. It was thought that Neanderthals' lives weren't as sophisticated as this or as similar to those of modern humans. The researchers looked at sites of both Neanderthals and Homo sapiens and compared how things like tools and animal bones were positioned in the living area. They found Neanderthals organised their items depending on the different tasks and activities they were doing.

Things to talk about at home ...

- > Share your response to the new research findings about Neanderthals' lives.
- > How is your home organised? Do you have different areas for different activities?
- > Think about how organised or tidy people at your home or school are. Is everyone the same?

Please note any interesting thoughts or comments

The National Keystage 2 Maths Championship

At Edison, we provided an exhilarating opportunity to our students in year 6, inviting them to participate in a Maths quiz championship. After initial class quiz, we selected four students to represent our school in the Area Heat.

The chosen four students from Edison Primary School competed against counterparts from 381 other schools, in a remote setting. We are delighted to share the news that Edison Primary School bagged **9th place**, securing a score of 1480 points. This outstanding

achievement means that we will now be going into the semi-finals to compete against other schools for a spot in the finals.

Our heartfelt congratulations go out to these remarkable students for their participation in the Area Heat. Well done Hanush, Tabitha, Diya and Sophia for all your hard work and for inspiring other children.

What Parents & Carers Need to Know about

X

AGE RESTRICTION

13+

In October 2022, the enormously popular social media network Twitter was purchased by tech tycoon Elon Musk. That sparked a host of changes to the platform – not all which have been received positively by its fans. The alterations have continued with each passing month, many of them raising online safety concerns among the 530 million users of Twitter (now rebranded as simply X). With further adjustments reportedly in the pipeline, X has attracted more than its usual share of controversy and caution in recent times.

WHAT ARE THE RISKS?

A BLOCK ON BLOCKING

X has announced plans to remove its blocking feature. Previously, this stopped other users from viewing your profile or sending you direct messages, while also hiding their posts from your feed. Only this latter function will now remain. The decision has been criticised by some members, who feel that blocking (in its current form) protects them from X users who 'promote denial and hatred'.

LIMITED REPORTING FEATURES

X offers a premium membership, with some functionality (such as controlling who can view and reply to your posts) increasingly being made exclusive to those who pay the subscription fee. Several commentators have speculated that X could one day become an exclusively paid-for service, with access to accounts being revoked for anyone unwilling or unable to take out a subscription.

AGE-INAPPROPRIATE CONTENT

Many of X's less age-appropriate posts can feature anything from extreme political views to pornography. While accounts marked as 18+ are restricted from non-members, it's still fairly easy to stumble across this material accidentally. X's new 'For You' page also shows content from accounts that a user doesn't already follow – meaning that almost anything could end up on a child's feed.

VERIFICATION FOR SALE

Historically, Twitter's moderators granted account verification, certifying someone as authentic by placing a blue tick next to their username. One of X's earliest changes was to place verification behind a paywall; this caused the number of celebrity impersonators to rise and left no way to distinguish, say, a legitimate influencer from a copycat fake account seeking to exploit other users.

BLUE TICK SALE

Advice for Parents & Carers

PROTECT PRIVACY

Unsavory characters may try to gain access to a young person's X account – either to view their posts and gather information on them, or to completely take control of it. To minimise risk, ensure the account has a strong password and enable the 'Protect Your Posts' feature (via the account settings), so that strangers can't view your child's posts without first being approved as a follower.

DON'T RISE TO THE BAIT

To gain more views and followers, some X users post deliberately inflammatory comments on sensitive topics such as race, sexual orientation and gender issues. Many young people could find this upsetting. Emphasise that, if your child encounters someone spreading hate on X, it's best not to give that person what they want: an argument. Ignore them, mute their account and move on.

STAY ALERT FOR IMPOSTERS

Make sure your child understands that X's blue ticks no longer guarantee the identity of anyone on the platform. While it might be exciting if a celebrity liked your child's post, it could just as easily be an imposter with malicious intentions. If your child's not 100% sure that an X user actually is who they claim to be, advise them to err on the side of caution and avoid interacting with that account.

ONLY FOLLOW TRUSTED ACCOUNTS

Using the 'Following' tab on X helps to ensure that the only content your child sees has come from accounts they've chosen to follow; this should reduce the chance of them inadvertently being exposed to harmful, violent or explicit content. Show your child how to report another user's account if, say, they're behaving inappropriately by spreading misinformation or offensive opinions.

BE READY TO TAKE ACTION

If your child suffers harassment on the platform or becomes the target of a hack, you could consider deactivating their account entirely. Recently, X's safety features have been criticised for allegedly failing to protect users' wellbeing – so if your child is being subjected to abusive messages or similar mistreatment on the platform, it might be prudent to remove them from X altogether.
